Used (normal wear), Have a 2015 50cc scooter up for sale. The seat has some damage and was covered with duck tape. Scooter runs and drives. Fun to zip around on. I dont have the title but can write a bill of sale. Could use a tune up. I bought used from a scooter dealership.. Make an offer!

The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

With fuel costs and parking charges it's no wonder the consumer is looking for less expensive forms of travel. This book is aimed at the rider who wants to do his or her own basic scooter maintenance and servicing without the need for in-depth mechanical knowledge, or a technical manual. It covers areas such as oil, brakes, tyres, transmission, electrics, etc, allowing the owner to address the most regularly serviced items without forking out for additional costs. Illustrated with full colour photographs throughout, and featuring clear, easy-to-follow instructions, this book is a must-have for scooter users.

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, The Dictionary of Slang and Unconventional English, this two-volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique,

exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning - it's rude, it's delightful, and it's a prize for anyone with a love of language.

This package includes a physical copy of *Statistics: The Art and Science of Learning from Data* by Alan Agresti and Christine Franklin, as well as access to the eText and MyMathLab. *Statistics: The Art and Science of Learning from Data, Third Edition*, helps you become statistically literate by encouraging you to ask and answer interesting statistical questions. This book takes the ideas that have turned statistics into a central science in modern life and makes them accessible. The Third Edition has been edited for conciseness and clarity to keep you focused on the main concepts. The data-rich examples that feature intriguing human-interest topics now include topic labels to indicate which statistical topic is being applied.

Charley Boorman is back on his bike exploring the world's second largest country - home to some of the most stunning and challenging terrain known to man. Canada is a country of extremes, and Charley knows all about pushing the limits. He goes dirt biking in New Brunswick, dives through old shipwrecks in Tobermory and rides along Butch Cassidy's old Outlaw Trail. He also meets a fascinating mix of people on his journey. As he heads across Canada, he plays ice hockey with a legend of the game; spends a day as a Mountie cadet and nearly meets a ghost in Winnipeg . . . Written with Charley's trademark enthusiasm and humour, *Extreme Frontiers* is fast-paced, hugely entertaining and packed with adventure (and rather a lot of mosquitoes).

In 1970, John Kowalski is one of many young, naive teenage soldiers sent to Vietnam to fight in an unpopular war. Dubbed "Cherries" by their more seasoned peers, these newbies suddenly found themselves thrust into the middle of a terrible nightmare - literally forced to become men overnight. On-the-job-training is intense, however, most of these teenagers were hardly ready to absorb the harsh mental, emotional, and physical stress of war. When coming under enemy fire for the first time and witnessing death first-hand, a life changing transition begins...one that can't be reversed. The author is an excellent story teller, readers testify that they are right there with the characters, joining them in their quest for survival, sharing the fear, awe, drama and sorrow, witnessing bravery and sometimes, even laughing at their humor. It's a story that is hard to put down. When soldiers return home from war, all are different - changed for life. "Cherries" tells it like it is and when finished, readers will better understand what these young men have to endure, and why change is imminent.

Jimmy was only nine years old when he was molested and sexually assaulted in London's dingy East End. He struggled to keep his dark secret, while coping with being adopted and his illiterate father's violent outbursts. Desperately needing to be loved, Jimmy accepts an offer of 'conditional kindness' from Tom, his scoutmaster. Now, after a lifetime of secrets, his story can be told as Tom is now dead, so.... "They Can't Touch Him Now"
