Argentina has long played an important role in the continent ’ s history. Following three centuries of Spanish colonization, Argentina declared independence in 1816, and Argentine nationalists were instrumental in revolutionary movements elsewhere, a fact that prompted 20th-century writer Jorge Luis Borges to observe, “ South America ’ s independence was, to a great extent, an Argentine ...

A Pickpockets History Of Argentine Tango

Argentina is a country on the south coast of south America. The history of Argentina can be divided into four main parts: the pre-Columbian time or early history (up to the sixteenth century), the colonial period (1530 – 1810), the period of nation-building (1810-1880), and the history of modern Argentina (from around 1880).. Prehistory in the present territory of Argentina began with the ...

Argentina - History, Facts, Map, & Culture | Britannica

A Pickpockets History of Argentine Tango explores the rise of Tango in Argentina: its social and political climate, its characters, music, dance, song and poetry. Many fine books have been written on how to dance Tango. This is not one of those. This is a history book whose protagonist is Tango. The Author brings a unique perspective to his reader with a Ph.D. in International Relations and extensive knowledge of world politics and Argentine culture. His incisive acumen as a psychotherapist provides a window into the soul of the Tango world. The psychology of the Tango is found in the poetry of its lyrics: a direct link with the hopes, fears, frustrations, and illusions of their time. â ??The dance when deeply engaged, revealed the human condition: the solitude of all human beings, the ephemeral nature of modern relations and the need for relationship. We are all exiles, refugees from life, uprooted by immigration....Tango was an escape in order to bear the lot of life. The music was a reflection of existence. People were thrilled to hear the sounds of Tango music, and recognize their favorite composers, delighting in the orchestras who gave meaning to their emotions. People were moved to move. â ?? All the cultures of the world have their own music and dance. Things that could not be said in words were expressed in music and song. Tango is the same, but with one important difference: the people who created the Tango were from the four corners of the world and had nothing in common except this dance, this poetry, this music. This book explores Tango as a social phenomenon, born in Buenos Aires and spread worldwide. â ??They were Italians and Spaniards, Britons and Jews, poor peasants from Germany, Russia and Poland. Yet in the midst of this life of despair and danger, these men did not fight to the death; they fought for respect. Competition was fierce, but the men devised a method of selection. Dance. Tango, they called it.

Provides information on travel, accommodations, attractions, shopping, and dining within the nation and its chief provinces and cities.

Whiz Mob is David W. Maurer’s classic study of the world of pickpockets. Similar to his best-known work, The Big Con, in Whiz Mob Maurer explains the colorful expressions and vivid words used by pickpockets and uses them to provide a window into the life and experiences of the professional criminal. Although he is quick to point out that he never had any actual experience on the racket, Maurer spent many years interviewing pickpockets and learning about their way of life. The result is a fascinating look at the work, lives, morals, and dangers of this element of the criminal subculture. Whiz Mob is essential reading for sociologists, linguists, and everyone interested in the mystery and intrigue of the criminal underworld.

A new edition for HL Option 2, History of the Americas, Topic 16: The Cold War and the Americas (1945-1981) The renowned IB Diploma History series, combining compelling narratives with academic rigor. DIVAn interdisciplinary anthology that includes many primary materials never before published in English./div

One of the important cultural responses to political and sociohistorical events in Latin America is a resurgence of urban photography, which typically blends high art and social documentary. But unlike other forms of cultural production in Latin America, photography has received relatively little sustained critical analysis. This pioneering book offers one of the first in-depth investigations of the complex and extensive history of gendered perspectives in Latin American photography through studies of works from Argentina, Mexico, and Guatemala. David William Foster examines the work of photographers ranging from the internationally acclaimed artists Graciela Iturbide, Pedro Meyer, and Marcos L ó pez to significant photographers whose work is largely unknown to English-speaking audiences. He grounds his essays in four interlocking areas of research: the experience of human life in urban environments, the feminist matrix and gendered cultural production, Jewish cultural production, and the ideological principles of cultural works and the connections between the works and the sociopolitical and historical contexts in which they were created. Foster reveals how gender-marked photography has contributed to the discourse surrounding the project of redemocratization in Argentina and Guatemala, as well as how it has illuminated human rights abuses in both countries. He also traces photography’s contributions to the evolution away from the masculinist-dominated post – 1910 Revolution ideology in Mexico. This research convincingly demonstrates that Latin American photography merits the high level of respect that is routinely accorded to more canonical forms of cultural production.

Scam City’s Conor Woodman goes undercover to meet the world’s dodgiest dealers. 'I start asking questions. How do you do this? How do you get away with it? How much money do you make from it? Who supports you? Who resists you? And what happens to the people who resist you?' Creeping through the lawless backstreets where the black market thrives, he intentionally falls for scam after scam, from back-alley dice games to counterfeit cash. Woodman’s risky and occasionally reckless reporting exposes how crooks dupe their unsuspecting victims time and time again. A dark adventure through cities as diverse as Mumbai, Bogota, New Orleans, Barcelona and London, The Scam Hunter is a shocking reminder of who really runs the world’s biggest metropolises. A truly electrifying read. 'Peppered with great wit, the reader will occasionally find it hard to stop themselves from laughing out loud.' Misha Glenny, author of McMafia Previously published as Sharks: Investigating the Criminal Heart of the Global City.

For a limited time, receive a free Fodor’s Guide to Safe and Healthy Travel e-book with the purchase of this guidebook! Go to fodors.com for details. Written by locals, Fodor ’ s Essential Argentina is the perfect guidebook for those looking for insider tips to make the most out their visit to Argentina. Complete with detailed maps and concise descriptions, this travel guide will help you plan your trip with ease. Join Fodor ’ s in exploring one of the most exciting countries in South America. From the scenic Mendoza wineries in the foothills of the Andes, to the cultural riches of Buenos Aires, to the gorgeous glacial terrain of Patagonia, Argentina offers experiences for all types of travelers. Whether you plan to marvel at the spectacular waterfalls of Iguazu Falls or the craggy, colorful hills in the Quebrada de Humahuaca, or you want to tango the night away in Buenos Aires, catch a fiery local soccer game, or try wind-skiing in Patagonia, Fodor’s Essential Argentina helps travelers take in the most memorable sights and experiences of this culturally and geographically rich country.
