~~As Dead As It Gets (2020) - IMDb~~

As Dead as it Gets is a great book about hardships of life, friendship, and a bit of romance. In the third book about Alexis Warren, Kasey Warren, Megan Wiley, and Carter Blume these high school students find themselves fighting for their lives against a poltergeist, created by Alexis's boyfriend, Jared.

As Dead As It Gets by Katie Alender is the third and final book in the Bad Girl's Don't Die trilogy, and it was an great end to an amazing series. For me, this is one of my favourite YA horror/paranormal series that I'd definitely recommend. I love the main characters in this series - Alexis, Kasey, Megan, Carter, etc.

~~As Dead As It Gets (Bad Girls Don't Die, #3) by Katie Alender~~

As Dead as it Gets is the third and final book of the Bad Girls Don't Die trilogy. Plot Edit (4 Girls die and Laina is a poltergeist that Jared the guy that Alexis was dating created so then Alexis kills Jared by pushing him off a cliff -A) Alexis is suffering from scary eyes. In every photo and video she sees, she sees a ghost or a dead person in it.

Directed by James L. Brooks. With Jack Nicholson, Helen Hunt, Greg Kinnear, Cuba Gooding Jr.. A single mother and waitress, a misanthropic author, and a gay artist form an unlikely friendship after the artist is assaulted in a robbery.

~~As Good as It Gets (1997) - IMDb~~

As Good as Dead is the second studio album by American rock band Local H. It was released on April 16, 1996 by Island Records.. A concept album, As Good as Dead is about dead-end, small-town life based on the band's origins in Zion, Illinois. The album's title comes from a line in the song "Eddie Vedder." Some prints of the album received a Parental Advisory sticker, due to the use of profanity ...

It's been three months since Alexis helplessly witnessed Lydia Small's violent death, and all she wants is for her life to return to normal. But normal people don't see decaying bodies haunting photographs. Normal people don't have to deal with regular intrusions from Lydia's angry ghost, sometimes escalating to terrifying attacks. At first, it seems that Lydia wants revenge on Alexis alone.

"Alexis battles a more powerful ghost than she's ever faced before... and one whose fate is tied to hers in ways she couldn't possibly imagine"--

It's been three months since Alexis helplessly witnessed Lydia Small's violent death, and all she wants is for her life to return to normal. But normal people don't see decaying bodies haunting photographs. Normal people don't have to deal with regular intrusions from Lydia's angry ghost, sometimes escalating to terrifying attacks. At first, it seems that Lydia wants revenge on Alexis alone. But a girl from school disappears one night, and Alexis spots one of Lydia's signature yellow roses lying on the girl's dresser the next day. Soon, it becomes clear that several of Alexis's friends are in danger, and that she's the only person who can save them. But as she tries to intervene, Alexis realizes that her enemy is a much more powerful ghost than she's ever faced before... and that its fate is tied to hers in ways she couldn't possibly imagine. Not even in her worst nightmares.

A page-turning, spine-chilling young adult murder mystery about surviving the ghosts around us. Alexis thought she led a typically dysfunctional high school existence. Dysfunctional like her parents' marriage. Or her doll-crazy twelve-year-old sister, Kasey. Or even like her own anti-social, anti-cheerleader attitude. When a family fight results in some tearful sisterly bonding, Alexis realizes that her life is creeping from dysfunction into danger. Kasey is acting stranger than ever: her blue eyes go green, sometimes she uses old-fashioned language, and she even loses track of chunks of time, claiming to know nothing about her strange behavior. Their old house is changing, too. Doors open and close by themselves. Water boils on the unlit stove, and an unplugged air conditioner turns the house cold enough to see their breath in. Alexis wants to think that it's all in her head, but soon, what she liked to think of as silly parlor tricks are becoming life-threatening: to her, her family, and to her budding relationship with the class president. Alexis knows she's the only person who can stop Kasey—but what if that green-eyed girl isn't even Kasey anymore?

Dreaming about becoming a screenwriter and meeting her favorite Hollywood star, former journalist Maggie Mars becomes determined to solve the murder of her long-time mentor, an effort for which she recruits the assistance of her legal eagle boyfriend, her eccentric father, and her L.A. cop ex-boyfriend. Reprint.

If you're a dinosaur, all of your friends are dead. If you're a pirate, all of your friends have scurvy. If you're a tree, all of your friends are end tables. Each page of this laugh-out-loud illustrated humor book showcases the downside of being everything from a clown to a cassette tape to a zombie. Cute and dark all at once, this hilarious children's book for adults teaches valuable lessons about life while exploring each cartoon character's unique grievance and wide-eyed predicament. From the sock whose only friends have gone missing to the houseplant whose friends are being slowly killed by irresponsible plant owners (like you), All My Friends Are Dead presents a delightful primer for laughing at the inevitable.

All over the tri-state area, something strange is happening. Teenagers who die aren't staying dead. They are coming back to life, but they come back different - they stutter and their reactions to everything are slower. Termed 'living impaired' or 'differently biotic', there are lots of conspiracy theories to explain this new phenomenon. But as their numbers keep on growing, so does the discomfort of the living people in the community. When Phoebe falls for Tommy Williams, her best friend and star of the football team, Adam, has conflicting emotions. And when Tommy decides to try out for the football team, it sets off a chain of events that escalates into deadly violence.

Since its publication in 1842, *Dead Souls* has been celebrated as a supremely realistic portrait of provincial Russian life and as a splendidly exaggerated tale; as a paean to the Russian spirit and as a remorseless satire of imperial Russian venality, vulgarity, and pomp. As Gogol's wily antihero, Chichikov, combs the back country wheeling and dealing for "dead souls"--deceased serfs who still represent money to anyone sharp enough to trade in them--we are introduced to a Dickensian cast of peasants, landowners, and conniving petty officials, few of whom can resist the seductive illogic of Chichikov's proposition.

THE THIRD AND FINAL THRILLING BOOK IN THE BESTSELLING AND AWARD-WINNING A GOOD GIRL'S GUIDE TO MURDER TRILOGY

It all starts with a promise from a stranger: We'll take care of everything. Holly Kendrick's husband is dead. Holly saw it all. In one violent moment, a hit-and-run accident turns Holly's life upside down. Then a fixer for the high-powered guilty party approaches Holly with an offer she is in no position to refuse. Holly and her daughter, Savannah, will want for nothing, beginning with a luxury dream house--all for the price of their silence. But when their sudden appearance in privileged Calabasas, California, piques the curiosity of neighbors, the price becomes greater than they imagined. Because Holly and Savannah aren't the only ones in the neighborhood with something to hide. Told from alternating points of view, *Good as Dead* draws together an unlikely group of people bound to one another by a crime, a cover-up, and compounding deceptions. As carefully constructed lives begin to crumble, how far will everyone be willing to go to bury the truth and protect the people they love?

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. *Operation Katie Saves her Own Damn Self* is officially on.
