Introduction by ...

Goodley, Dan. Disability Studies: An Interdisciplinary Introduction. London: SAGE, 2011. Reviewed by Shannon Walters, Temple University. Lennard Davis has recently noted that a second wave of disability studies is underway. While the first wave has been concerned with central questions and definitions of disability studies, second-wavers "ask questions and make new assertions about the 'truths' of the field," including "the areas of identity formation, the differences (rather than the ...
