The Art of the Interview.

This expert advice comes from Hugh Anderson

Associates. The art of interviewing is not about getting a job; it's about getting the right job - making sure you are as well suited for the job as the job and organization are for you. There are three categories of interviews you will likely run into during your job search - Informational, Screening, and Selection or Hiring Interviews.

the leading writers of our time. In the last fifty years, art criticism has flourished as never before. Moving from niche to mainstream, it is now widely taught at universities, practiced in newspapers, magazines, and online, and has become the subject of debate by readers, writers, and artists worldwide. Equal parts oral history and analysis of craft, What It Means to Write About Art offers an unprecedented overview of American art writing. These thirty in-depth conversations chart the role of the critic as it has evolved from the 1960s to today, providing an

These conversations with thirty-one of the leading multimedia artists in the United States now form a comprehensive record, from the insiders' perspectives, of the most vital component of the postmodern American art world. Passionate about postmodernism and committed to innovative creativity, Zurbrugg asks these artists probing and insightful questions. How did their work evolve? Who most influenced them? How did they assess changes in
