Following the laws of our legal system, Evan and Jessie ' s fourth grade class concocts a courtroom on the playground, putting Scott Spencer, alleged thief, on trial. They create a legitimate courtroom—with a judge, witnesses, a jury of their peers—and surprising consequences. As she explores the difficulties of fairness, Jacqueline Davies once again reveals how good she is at understanding the complex emotions of children this age. This book features a teaser chapter from book three of the Lemonade War series, *The Bell Bandit*.

Evan Treski, who is people-smart, and his younger sister Jesse, who is math-smart, battle it out through competing lemonade stands, each trying to be the first to earn one hundred dollars. Reprint.

"A magic show, card tricks, and a disappearing rabbit named Professor Hoffman--the Treski kids are at it again as they try to put on a show in the face of an approaching hurricane. But nothing prepares them for what blows into town next: their long-lost dad"--

When Marilyn and her teacher, Miss Wichelman, both get cancer, they encourage each other and, aided by medical treatments and support from friends, they get better and learn that when life hands you lemons, make lemonade!

Poignant and funny, the fourth book in the best-selling Lemonade War series explores the distinctive power of poetry and love—fourth grade style.

In order to earn money for college, fourteen-year-old LaVaughn babysits for a teenage mother.

And look for the puzzle-packed sequels—Mr. Lemoncello's Library Olympics and Mr. Lemoncello ' s Great Library Race! “ Full of puzzles to think about, puns to groan at ...this solid, tightly plotted read is a winner for readers and game-players alike. ” —Kirkus Reviews, Starred Review

A “ necessary and brilliant ” (NPR) exploration of our cultural fascination with true crime told through four “ enthralling ” (The New York Times Book Review) narratives of obsession. In *Savage Appetites*, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim ' s family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women ' s complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, *Savage Appetites* is a “ corrective to the genre it interrogates ” (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.

The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast *My Favorite Murder!* Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the nation. In *Stay Sexy & Don ' t Get Murdered*, Karen and Georgia focus on the importance of self-advocating and valuing personal safety over being ‘ nice ’ or ‘ helpful. ’ They delve into their own pasts, true crime stories, and beyond to discuss meaningful cultural and societal issues with fierce empathy and unapologetic frankness. “ In many respects, *Stay Sexy & Don ' t Get Murdered* distills the *My Favorite Murder* podcast into its most essential elements: Georgia and Karen. They lay themselves bare on the page, in all of their neuroses, triumphs, failures, and struggles. From eating disorders to substance abuse and kleptomania to the wonders of therapy, Kilgariff and Hardstark recount their lives with honesty, humor, and compassion, offering their best unqualified life-advice along the way. ” —Entertainment Weekly “ Like the podcast, the book offers funny, feminist advice for survival—both in the sense of not getting killed and just, like, getting a job and working through your personal shit so you can pay your bills and have friends. ” —Rolling Stone At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

INSTANT NEW YORK TIMES BESTSELLER “ If you ' re a fan like I am this is definitely the book for you. ” —Pete Davidson, actor, producer, and cast member on *Saturday Night Live* “ Danny ' s incredible life story shows that even though we may fall down at some point in our lives, it ' s what we do when we stand back up that really counts. ” —Robert Rodriguez, creator of *Spy Kids*, *Desperado*, and *Machete* Discover the full, fascinating, and inspirational true story of Danny Trejo ' s journey from crime, prison, addiction, and loss—it ' s “ enough

to make you believe in the possibility of a Hollywood ending ” (The New York Times Book Review). On screen, Danny Trejo the actor is a baddie who has been killed at least a hundred times. He ’ s been shot, stabbed, hanged, chopped up, squished by an elevator, and once, was even melted into a bloody goo. Off screen, he ’ s a hero beloved by recovery communities and obsessed fans alike. But the real Danny Trejo is much more complicated than the legend. Raised in an abusive home, Danny struggled with heroin addiction and stints in some of the country ’ s most notorious state prisons—including San Quentin and Folsom—from an early age, before starring in such modern classics as Heat, From Dusk till Dawn, and Machete. Now, in this funny, painful, and suspenseful memoir, Danny takes us through the incredible ups and downs of his life, including meeting one of the world ’ s most notorious serial killers in prison and working with legends like Charles Bronson and Robert De Niro. An honest, unflinching, and “ inspirational study in the definition of character ” (Kevin Smith, director and actor), Trejo reveals how he managed the horrors of prison, rebuilt himself after finding sobriety and spirituality in solitary confinement, and draws inspiration from the adrenaline-fueled robbing heists of his past for the film roles that made him a household name. He also shares the painful contradictions in his personal life. Although he speaks everywhere from prison yards to NPR about his past to inspire countless others on their own road to recovery and redemption, he struggles to help his children with their personal battles with addiction, and to build relationships that last. Redemptive and painful, poignant and real, Trejo is a portrait of a magnificent life and an unforgettable and exceptional journey.
