The first book in the Demonata, the demonic symphony in ten parts by multi-million-copy bestselling horror writer Darren Shan...

Presumably the only witness to the horrific and bloody murder of his entire family, a teenage boy must outwit not only the mental health professionals determined to cure his delusion, but also the demonic forces only he can see.

"Locked inside Dervish's study. Breath coming quickly, raggedly. Trembling wildly. I still feel sick and dizzy, but maybe that's fear. I force myself to breathe normally, evenly. When I'm in control, I study my reflection, looking for telltale signs. Am I turning into a werewolf? I don't know..." Grubbs Grady has so far escaped the family curse, but when he begins to experience alarming symptoms at the onset of the full moon, he is scared that the jaws of fate are opening and about to swallow him whole. He has cheated death, defeated demons, moved on with his life. But Grubbs is torn between the world of magic and his wolfen genes. Can he fight the beast inside or will he fall victim to his tainted blood?

Kernel Fleck has always known he's weird. He sees lights. Strange, multi-colored patches of light swirling through the air. But it's not until a window opens into a demon world, with horrific consequences, that Kernel discovers his powers. As a Disciple, his mission is to hunt the viciously powerful Demonata, to the death...

One boy's life ripped to shreds before his eyes... One wrathful demon master hell-bent on revenge... An army of grisly Demonata on the rampage... It's the end of the world as we know it. The sixth novel in the chilling Demonata series by Darren Shan, author of the New York Times bestselling Cirque Du Freak series, will terrify readers long after the last page.

Darren Shan, New York Times bestselling author of the Cirque du Freak and Demonata series, makes his adult fiction debut with this first book in a dark and twisted new series, The City. PROCESSION OF THE DEAD What had I done before coming to the City? I couldn't remember. It sounded crazy but my past was a blank. I could recall every step since alighting from the train, but not a single one before. Young, quick-witted, and cocksure, Capac Raimi arrives in the City determined to make his mark in a world of sweet, sinister sin. He finds the City is a place of exotic dangers: a legendary assassin with snakes tattooed on his face who moves like smoke, blind Incan priests whom no one seems to see, a kingpin who plays with puppets, and friends who mysteriously disappear as though they never existed. Then Capac crosses paths with The Cardinal, and his life changes forever. The Cardinal is the City, and the City is The Cardinal. They are joined at the soul. Nothing moves on the streets, or below them, without The Cardinal's knowledge. His rule is absolute. When Capac discovers how deeply The Cardinal has influenced his life, he is faced with hard choices that conflict with his soaring ambition. To find his way, Capac must know himself and what he is capable of. But how can you trust yourself when you can't remember your past?

While on a horror movie set with his Uncle Dervish, Grubbs Grady realizes that his battle with the evil demon master Lord Loss may be about to resume.

In the City, The Cardinal rules, and Al Jeery is a loyal member of his personal guard. But when Al is pulled from his duties at Party Central to investigate a murder, an unexpected discovery leads him in a new direction, where his loyalties and beliefs will be severely tested. Soon he is involved in a terrifying mystery that draws in the dead, the City's Incan forefathers, the imposing figure of The Cardinal, and the near-mythical assassin Paucar Wami. Wami is a law unto himself, a shadowy, enigmatic figure who can apparently kill anyone he chooses without fear of punishment or retribution. And Al is about to find out that he has a lot more in common with Wami than he could ever have imagined...

The first five books in the demonic masterpiece from the No.1 Master of Horror - Darren Shan.

I know it's ridiculous. Lights can't whisper. But I swear I heard a voice calling to me. It sounded like static to begin with, but then it came into focus, a single word repeated over and over. Softly, slyly, seductively, insisently. "Come..." The Disciples are being manipulated by beings older than time. Only Kernel Fleck knows that something is wrong. But he is in the grip of a creature who cares nothing for the fate of humanity. Voices are calling to him from the darkness and he's powerless to resist. Kernel has already been to hell and back. Now he's about to go further... The horrifying adventures continue with the ninth book in the gory and chilling Demonata series.
