But specifically, I'm wondering about the level of practical temperature control you have with induction. Many people do indeed praise these cooktops for their supposedly fine control. But as someone ...

### Induction cooktops: how fine is the control? (lots of levels?)

Rather than bringing gas into my kitchen, I have decided on an induction cooktop. Can't wait to try it!!! Because I have very limited counter space, I think a 30\" is the way to go. (Will I regret not ...
