Big girls don't cry--they go after what they want--in this "fresh, fun, adorable" (Lori Wilde) romantic comedy. Thanks to her bangin' curves, Valerie Carmichael has always turned heads--with the exception of seriously sexy Logan Mathis. Just Valerie's luck that the object of her lust-filled affection is also best friends with her overprotective brother. But Valerie's determined to get Logan's attention . . . even if it means telling a teeny little lie to get a job at his new bar. Logan can't remember a time when Valerie didn't secretly fuel all his hottest fantasies. Now the curvaceous she-devil is working behind his bar, tempting him every damn night. It's only when he finds Valerie's naughty things-to-do list that Logan decides to break every rule in the book--by making each red-hot deed a reality. No one warned them that they were going to fall this hard. And no one warned them that sometimes the smallest secrets can have the biggest consequences.

Sometimes a little heat is all it takes to lighten a heavy heart. Shannon Daniels is afraid of men, but when Matthew Ellis literally falls into her lap, fear is the last thing she feels. For the first time in years, she desires a man, and she plans on taking advantage of her new craving. Shannon hatches a plan to satisfy her sudden hunger, but dancing with the devil will get you more than a one-way trip to hell, and Shannon finds out quickly that even the best-laid plans go awry. ONE OF NPR'S BEST BOOKS OF 2019 A "warm and funny and honest" genuinely unputdownable (Curtis Sittenfeld) memoir chronicling what it's like to live in today's world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he

had to change his life. When he was almost fifty years old, Tommy Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn't go the way he planned—in fact, he wasn't sure that he really wanted to change. In *The Elephant in the Room*, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay's *Hunger* with the intimacy of Rick Bragg's *All Over but the Shoutin'*. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America's "capital of food porn," and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. "What could have been a wallow in memoir self-pity is raised to art by Tomlinson's wit and prose" (*Rolling Stone*). Affecting and searingly honest, *The Elephant in the Room* is an "inspirational" (*The New York Times*) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. "Add this to your reading list ASAP" (*Charlotte Magazine*).

MJ Jassemolada is a big girl, and has been a big girl her whole life. She's been called all the hurtful names: Hefty heifer, dump truck, fat, porky pig, she's heard them all. A bred and born LA girl, she feels like she's surrounded by the thin and beautiful of the world, and having a widower father who tells her she's beautiful every day just doesn't help. She can see her reflection in the mirror, after all, loud and clear. After graduation from UCLA, she gets a coveted job as personal assistant to superstar singer Meredith Renner, who's leaving for a world tour with Heath Spencer, who's even more popular than Meredith, if such a thing is possible. Meredith is as awful as MJ expected her to be, but Heath turns out to be nice. And smart. And funny. And—attracted to her? MJ? The big girl? Could such a thing be possible? He's only interested in being her friend, right? But as the tour progresses across the globe, and MJ and Heath spend more and more time together, MJ is forced to admit what just couldn't be: Heath Spencer likes her. In that way. So, though she's scared out of her wits, MJ, who's never had a boyfriend, who's never even kissed anyone, throws herself into an exciting, secret, and very sexy romance with one of the most handsome and sought after men on the planet. And life is complete and utter bliss. But of course things can't stay this perfect, can they? Treacherous Meredith, who also happens to be Heath's ex, has a few horrible tricks up her sleeve. Poor, innocent MJ, who's never hurt anyone, has to endure her wrath, and kind, generous Heath has to deal with an all-consuming guilt for something that isn't even his fault. Can their fragile love survive such a vile onslaught? Come travel with our couple, through such romantic locales as Sydney, Tokyo, Prague, Paris, Rio, and New York, as they discover love and each other, the good and the bad that can exist in the glamorous world of touring, and the romantic world of becoming a couple.
