The Range Rover (L322) (usually known simply as the "Range Rover") is the third-generation Range Rover model from British car maker Land Rover and was originally developed under the codename 'L30'. The L322 was introduced in 2001 and had a production run of over ten years. Planned and developed under BMW ownership, the vehicle was intended to share components and systems (electronics, core power units etc.) with the E38 7 Series.
