~~The Cure: What If God Isn't Who You Think He Is and ...~~

Overview. The Cure gives the diagnosis of this century's religious obsession with sin-management. It has poisoned the Church, obscuring the Original Good News and sending millions away, wounded, angry and cynical, from nearly any organized expression of faith. This newly designed format of The Cure offers an authentic experience in Christ that frees some from a self-rewarded righteousness, and others from a beaten down striving for a righteousness they can never seem to attain.

John Lynch has an excellent way of explaining things to hurting or skeptical hearts. The Cure is a short and sweet, creative non-fiction piece for those who need an understanding of God's grace and how to move from a stuck-point in their faith. I recommend this to everyone who has been hurt by the Western Church system.
