WINNER OF THE GUARDIAN FICTION PRIZE With an introduction by Ali Smith. When the love of your life dies, the problem is not that some part of you dies too, which it does, but that some part of you is still alive. The death of legendary jazz trumpeter Joss Moody exposes an extraordinary secret. Unbeknown to all but his wife Millie, Joss was a woman living as a man. The discovery is most devastating for their adopted son, Colman, whose bewildered fury brings the press to the doorstep and sends his grieving mother to the sanctuary of a remote Scottish village. Winner of the Guardian Fiction Prize, Trumpet is a starkly beautiful modern classic about the lengths to which people will go for love. It is a moving story of a shared life founded on an intricate lie, of loving deception and lasting devotion, and of the intimate workings of the human heart. **PRAISE FOR TRUMPET** "Recounted in clear, spare, utterly unsentimental prose . . . the voices in this tender, compassionate work were still singing in my head a couple of weeks after I'd finished it" Observer "...the beauty of this book is the way its love, the character and story around which all the others orbit, is kept so intriguingly in the shadows, so fantastically out of view" Literary Review

"Known for her prodigious musical talent, her timeless blues narratives about personal and socioeconomic problems, her tough persona, and her innate ability to enrapture audiences with her raw voice, Bessie Smith—the Empress of the Blues—receives a unique biographical treatment in this special life narrative captured by one of Scotland's finest poets. By masterfully blending research, fiction, nonfiction, poetry, and her own experiences in listening to Bessie Smith, Jackie Kay brings Smith to life, chronicling her humble beginnings in Tennessee to her national touring and recording success to her troubled relationships and her tragic end. The result is a lyrical tribute that not only captures Smith's personality but manages to reproduce her voice as her lyrics echo throughout the text. Bessie Smith lives on, and as Kay argues, she is relevant now more than ever"--

‘A stunner. I am heartbroken to have finished it’ Ali Smith In Jackie Kay’s first collection of stories, ordinary lives are transformed by secrets. Her world might seem familiar – sex, death and family cast long shadows – but the roles of mothers, daughters and lovers are imagined and revealed in the most surprising of ways. Sometimes it is the things that we choose to hide within ourselves which can transform us – and that has never been more true than in Jackie Kay’s warm, exuberant storytelling. She sees the extraordinary in everyday life, and lights it up with humour and generosity in a way that is uniquely her own. ‘If stories like these can still be written, the short story form must still be alive, not to say kicking’ Irish Times

A son of Chinese immigrants discovers his true self in a “sharply written debut . . . a coming-of-age tale for our time” (Seattle Times). Peter and his sisters grow up in an airless house of order and obligation, though secrets and half-truths simmer beneath the surface. At the first opportunity, each of the girls lights out on her own. But for Peter, escape is not as simple as fleeing his parents’ home. Though his father crowned him “powerful king,” Peter knows otherwise. He knows he is really a girl. With the help of his far-flung sisters and the sympathetic souls he finds along the way, Peter inches ever closer to his own life, his own skin, in this darkly funny, emotionally acute, stunningly powerful debut. “Sensitively wrought . . . “For Today I Am a Boy” is as much about the construction of self as the consequences of its unwitting destruction—and what happens when its acceptance seems as foreign as another country.” —The New York Times Book Review “Subtle and controlled, with flashes of humor and warmth.” —Slate “Keeps you reading. Disappearing Men examines the complex and rebellious representations of gender in the work of several writers of ‘devolutionary’ Scottish fiction in the period 1979 to 1999. The study focuses on the context of a ‘crisis in masculinity’ accompanying the rapidly changing male role in the period, concluding that men often disappear from sight in this writing, highlighting issues of male insecurity and female disorientation in a new gender landscape. Hence the novels examined here by authors James Kelman, Jancie Galloway, Jackie Kay, A.L. Kennedy and Alan Warner, strongly challenge the stereotype of the Scottish ‘hardman’ and his dominance in 20th century Scottish fiction. Disappearing Men dissects this challenge by giving major consideration to the relationship between the innovative literary forms often found in this writing and the concepts of selfhood they give rise to. The possibilities inherent in these texts of reimagining gender identity and relations make them important contemporary documents of our struggles with realising selfhood and relations with others. A sustained and intimate analysis, this monograph will be of crucial interest to those concerned with issues of gender and representation in our rapidly changing era.

Jackie Kay’s new collection is a lyric counterpart to her memoir, Red Dust Road, the extraordinary story of the search for her Nigerian and Highland birth-parents; but it is also a moving book in its own right, and a deep enquiry into all forms of human friendship. Fiere – Scots for ‘companion, friend, equal’ – is a vivid description of the many paths our lives take, and of how those journeys are made meaningful by our companions on the road: lovers, friends, parents, children, mentors – as well as all the remarkable and chance acquaintances we would not otherwise have made. Written with Kay’s trademark wit and flair, and infused with both Scots and Igbo speech, it is also a fascinating account of the formation of a self-identity – and the discovery of a tongue that best honours it. Musical and moving, funny and profound, Fiere is Jackie Kay’s most accomplished, assured and ambitious collection of poems to date.
